Approving your booking requests

Once you have submitted a request, you should then receive an automated email confirming the submission.

For Daycare requests, you will then receive an email stating whether the booking has been approved or declined - please keep an eye out in your junk folder incase it finds its way into there!

For Hotel requests, you will receive an email stating you've been added to the waiting list and a follow up with a quote and payment details. The Hotel booking will only be secured once the deposit has been paid.

Thanks and we look forward to any feedback!

Any questions feel free to message.
